AGGIORNAMENTO FINITURE	FINISHES UPDATE	MISE À JOUR DES FINITIONS	ACTUALIZACIÓN DE ACABADOS	NEUE AUSFÜHRUNGEN
Le finiture del sistema Wallover, dei letti e dei complementi si aggiornano e diventano pienamente compatibili con Freedhome e Architype. Un aiuto per semplificare la fase progettuale e sfruttare al meglio le potenzialità espressive di sistemi e prodotti.	The finishes of the Wallover system, beds, and complements have been updated to be fully compatible with Freedhome and Architype. This helps simplify the design process and makes it easier to fully harness the expressive potential of systems and products.	Les finitions du système Wallover, des lits et des compléments sont mises à jour et deviennent pleinement compatibles avec Freedhome et Architype. Un soutien précieux pour simplifier la phase de conception et exploiter pleinement le potentiel expressif des systèmes et des produits.	Los acabados del sistema Wallover, de las camas y de los complementos se actualizan y se vuelven totalmente compatibles con Freedhome y Architype. Un apoyo útil para simplificar la fase de diseño y aprovechar al máximo el potencial expresivo de los sistemas y productos.	Die Ausführungen des Wallover-Systems, der Betten und Zubehörteile wurden aktualisiert und sind nun vollständig mit Freedhome und Architype kompatibel. Eine wertvolle Unterstützung zur Vereinfachung der Planungsphase und zur optimalen Nutzung des gestalterischen Potenzials von Systemen und Produkten.

NATURAL WOOD		Il natural wood si applica agli elementi dei moduli che accolgono la finitura in essenza. The natural wood finish is applied to all the modules designed to accommodate woods. La finition natural wood s'applique à tous les éléments des modules prévus pour recevoir un placage bois. El acabado natural wood se aplica a todos los elementos de los módulos diseñados para recibir un revestimiento en madera. Die Natural Wood-Oberfläche wird auf alle Elemente der Module angewendet, die für Furnierausführungen vorgesehen sind.
